Mortgage Banking

A black and white collage for an index. The word "INDEX" is at the top left, and "DEX" is at the top right, both partially obscured by a large white "X". The background is filled with mechanical gears, a hand holding a pen over a document, and a portrait of a man with glasses. Labels "a.", "b.", and "d." are placed within the collage.

MORTGAGE BANKING : JANUARY 2001

There are two parts to the 2000 Mortgage Banking index—**AUTHOR/TITLE** and **SUBJECT**.

All articles for 2000 are listed in the **AUTHOR/TITLE** section according to the author's last name and by the first word of the article's title.

The **SUBJECT** section lists all the articles alphabetically by title under the appropriate heading(s). (Most articles appear under more than one subject heading.)

The following is a list of the subject headings to assist you in your research. Check here first to determine which heading your topic of interest is most likely to be under and then refer to that part of the **SUBJECT** index.
